Failing this, legal proceedings will be commenced against you to recover possession of the premises, to declare a forfeiture of the agreement under which you occupy the same, and to recover UNLAWFUL DETAINER DAMAGES plus \$600.00 statutory damages for the unlawful detention of the premises, together with court costs, attorneys' fees, and other similar charges. State law permits former tenants to reclaim abandoned personal property left at the former address of the tenant, subject to certain conditions. You may or may not be able to reclaim property without incurring additional costs, depending on the cost of storing the property and the length of time before it is reclaimed. In general, these costs will be lower the sooner you contact your former landlord after being notified that property belonging to you was left behind after you moved out.

Attached hereto is a Debt Validation Notice which allows you to either dispute the debt within thirty days, make a request for information and/or documents regarding the debt, or submit payment.

Additionally attached hereto is the City of Los Angeles Renter Protections Notice from the Los Angeles Housing Department.

Any and all previously served three day notices to pay rent or quit are hereby cancelled and rescinded.
